If you get beaten by one of the huge bosses in each world, you have to try to get through the next one without losing. This great game is full of nice puzzles and with 6 difficulties you will never get bored. In this browser game you must discover and exterminate all the monsters with your arsenal of brutal weapons. To do that you will have to jump, shoot and explore the levels in search of the monstrous enemy. You will have to jump on some platforms to get to the different sections and you will find treasures along the way. You will also find some power-ups like an explosive explosive or a power-up to decrease the gravity in the rooms or the enemies' health in this game. Keep 82157476af
